## PROFESSIONAL SUMMARY

BCA graduate with a strong academic record and hands-on experience in JavaScript, Node.js, and Express.js. Developed a Student Management System with functionality to add, view, update, and delete student records, along with a personal portfolio website using HTML and CSS. Seeking an entry-level opportunity as a backend developer where I can apply my programming skills and contribute to real-world projects.

## TECHNICAL SKILLS

- JavaScript
- Node.js
- Express.js

## PROJECTS

### Student Management System

**Technologies:** JavaScript, Node.js, Express.js

- Developed a student management application for managing student information.
- Implemented functionality to add new student records using input fields and a submit button.
